Where no instruction is received in writing from the Owner, the Vendor or his agent, the Lot will be offered without reserve.
- 3.2 Each Vendor undertakes that a Lot entered in the Catalogue shall not be sold before the Sale.
- 3.3 Goffs will endeavour to have all Catalogue information correctly stated, but the Vendor is responsible for the accuracy of its content and the correction of any error or omission. Goffs shall not be liable for any statements made in the Catalogue or from the rostrum concerning a Lot. It will be the sole responsibility of the Vendor to ensure that any Lot's paperwork is in order and the Vendor will bear the cost of any outstanding paperwork whilst Goffs will not pay the sales proceeds to the Vendor until the appropriate documentation has been delivered to the Purchaser.
- 3.6 A Vendor or any one person on his behalf may bid for any Lot owned by such Vendor. Where however a Lot is stated to be "the Property of a Partnership" or "to Dissolve a Partnership" any partner, syndicate member, co-Owner or other person interested may bid on his own behalf either personally or through an agent.
- 3.7 In the case where any Lot has been knocked down to a bidder who has made no payment arrangements prior to bidding Goffs may impose one of the following measures in their absolute discretion:
- (a) The sale will be deemed to be cancelled and the Lot will immediately be reoffered on behalf of the Vendor

Payment to the Vendor in this manner will be deemed to have been made at the time of posting of the cheque by Goffs and all payments are sent at the risk of the Vendor and Goffs will incur no liability to any party as a result of the non-delivery of the cheque to the Vendor.
- 3.9 In the case of any Lot where a dispute has arisen between the Vendor, the Owner, the Purchaser and/or any third party making any claim in relation to the Lot, or where there are competing claims for payment, Goffs may refuse to make payment to the Vendor pending

resolution of the dispute. In exercising this right, Goffs will incur no liability to any party, and no interest shall be payable by Goffs on any sale proceeds retained.

- 3.10 When the Owner of a Lot is a partnership or a syndicate and one or more member(s) of that partnership or syndicate is the Purchaser, Goffs reserve the right to withhold payment on that Lot until the Purchase Price has been received in full from the Purchaser.

4. BASIS OF SALE

- 4.1 There is no term implied in any sale that any Lot is of merchantable quality or is fit for training or any particular purpose. Any term, condition or warranty that might be incorporated into or apply to these Conditions of Sale are excluded to the maximum extent permissible by applicable law. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Additionally a Purchaser must make his own enquiries and exercise his own judgement as to the value of a Lot

A Lot may be offered for sale in one or more of the following ways:

- (a) **As it stands** (without Veterinary Certificate) subject always to paragraph 4.2 below.
- (b) **With a Veterinary Certificate** (subject to post-sale Re-Examination by The Panel) issued by Goffs and dated not earlier than 14 days prior to the Sale and which must be lodged in the Sales Office prior to the sale, and which will be read out by Goffs at the time of Sale. If required by a Purchaser such Lot shall be subject to re-examination by a member of The Panel, providing the Purchaser has notified the Sales Office within 60 minutes of purchase that a re-examination is required. Failure to request a re-examination under this Condition will prevent the Purchaser seeking cancellation of the sale for any conditions in 4.2 below. In the event of a difference of opinion

between the Panel and the Veterinary Certificate the sale may be cancelled at the discretion of the purchaser, provided notice of cancellation is made by the Purchaser to Goffs no later than 1 hour after the Purchaser was notified by Goffs of the Panel's decision

(c) **With a Pre-Sale Veterinary Certificate, (subject to pre-sale examination by The Panel)** to which the following conditions shall apply:

- (i) A Veterinary Certificate issued by Goffs and dated not earlier than 14 days prior to the day on which the Lot is catalogued to be sold shall be lodged in the Sales Office before the re-examination
- (ii) The Lot shall be re-examined prior to the Sale by The Panel
- (iii) The Panel's certificate shall be deemed to be an expression of opinion by a duly qualified veterinary surgeon and shall not constitute a warranty
- (iv) the Certificate will be read out by Goffs at the time of Sale
- (v) the fee for the re-examination shall be borne by the Purchaser
- (vi) No Lot shall be permitted to leave Goffs Premises between the re-examination by The Panel and the time of sale

(d) **With a Pregnancy Certificate** dated not earlier than 14 days prior to the Sale which must be lodged in the Sales' Office by the Vendor prior to the Sale, and which will be read out by Goffs at the time of Sale. Where a Broodmare is sold with a Veterinary Certificate of Pregnancy, the Purchaser may request to have her re-examined for pregnancy by The Panel provided the Purchaser has notified Goffs within 60 minutes of purchase that a re-examination is required. If the Broodmare is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs no later than 1 hour after the Purchaser was notified by Goffs of The Panel's decision. The Purchaser shall in all cases be liable for the re-examination fee.

(e) **With a Breeding Certificate** dated not earlier than 14 days prior to the Sale which must be lodged in the Sales' Office prior to the sale, and which will be read out by Goffs at the time of Sale. Fillies or broodmares which are not in foal and which are offered for sale as Breeding Stock must be offered with a Breeding Certificate, except for two-year-old fillies, or broodmares that have foaled since the publication of the Catalogue and prior to the sale, where no warranty as to their suitability for breeding is given or implied. Where a Broodmare or Filly is sold with a Breeding Certificate, the Purchaser may request to have her re-examined for suitability for breeding purposes only by The Panel provided the Purchaser has notified Goffs within 60 minutes of purchase that a re-examination is required. If the Broodmare or Filly is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs no later than 1 hour after the Purchaser was notified by Goffs of The Panel decision. The Purchaser shall in all cases be liable for the re-examination fee.

Immediately following Goffs being notified that an examination on behalf of a Purchaser is required, the Vendor must present the Lot to The Panel. In the event of the Vendor not making himself available, the Purchaser may elect to cancel the Sale, or Goffs may commission an agent to present the Lot to the Panel, for which a charge of €20 will be deducted from proceeds of sale. In the event of the Lot being taken for such examination by either by the Purchaser, Goffs or their respective agents

it nevertheless remains at the sole risk of the Vendor until the completion of the re-examination, and the party taking the Lot shall not be responsible for the death, injury or any damage caused by the Lot or to the Lot while temporarily under its control.

Such transactions must be finalised in writing on a Private Sale Form signed by the Vendor, the Purchaser and an authorised representative of Goffs. For the avoidance of doubt, this includes any sale conducted on line. The terms of Condition 9 below will apply to the Purchaser.
- 7.2 Where Goffs accepts the transfer of a Lot from the Purchaser to a third party (the New Purchaser), the appropriate Private Sale Form must be completed in the Sales Office. The terms of Condition 9 below will apply to the new Purchaser.

8. PASSING OF RISK AND TITLE

- 8.1 The Lot will be at the Vendor's risk at all times until the fall of hammer (or time of sale if sold privately) when the risk shall pass to the Purchaser subject to Conditions 8.2 and 8.3 below.
- 8.2 Any Lot sold subject to Re-examination under the terms of Condition 4.1 above shall be at the Vendor's risk for 60 minutes from the fall of the hammer or, if Re-examination is requested, until the completion of the re-examination. Risk remains with the Vendor if/when the Lot fails the examination and passes to the Purchaser if/when the Lot passes.
- 8.3 Any Lot tested for Prohibited Substances and/or Piroplasmiasis under the terms of Condition 5 above shall remain at the Vendor's risk from the fall of the hammer until the sample has been taken from the Lot when risk passes to the Purchaser. If the sample proves to be positive for Prohibited Substances and/ or Piroplasmiasis, risk will pass back to the Vendor when the Vendor is notified.
- 8.4 Notwithstanding the passing of risk in this Condition or delivery of the Lot to the Purchaser, the Vendor shall retain title to the Lot until the full purchase price has been paid to Goffs.
- 8.5 Where Goffs have paid out the Vendor in accordance with 3.8 above, title of the Lot will vest in Goffs on the same terms as 8.4 above.

9. PURCHASERS

- 9.1 All purchases are subject to 6% buyer's commission as outlined in Condition 2.1.3.
- 9.2 Goffs strongly recommend that Purchasers should attend the Sale in person and Purchasers are strongly advised to inspect each Lot prior to purchase. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Prospective purchasers may use a Veterinary Surgeon of their own choice to check or inspect the condition of any Lot prior to sale provided the consent of the Vendor is obtained in advance, that the Vendor expressly consents to the form of inspection to take place and it is understood by prospective purchasers that such consent is entirely at the Vendor's own discretion. '
- 9.3 All Lots are sold subject to these Goffs Conditions of Sale and are subject to any announcements that may be made by the Auctioneer. A Vendor may call upon Goffs to amend the Catalogue description at the Sale and it is the Purchaser's responsibility to ensure he hears any such announcement made by the auctioneer as a consequence. The information

on the Goffs notice board, website and announcement boards in the Sales ring is for guidance only and Goffs is not liable for any error or omission from such information.

- 9.4 All certificates referred to in the Catalogue will be available for inspection in the Sales Office prior to the Sale.
- 9.5 Immediately after the purchase of each Lot, the Purchaser must sign the Acknowledgement of Purchase Form confirming the sales details together with his name, address and other information as required by Goffs.
- 9.6 Subject to Condition 9.9, payment must be made in Euro by the Purchaser for each Lot on the day of the Sale and the Lot must be removed by the Purchaser by the close of each day's sale. Prior to the Sale Goffs may agree to other payment terms at their discretion and may allow the Purchaser to remove the Lot before full payment has been received. In the event that payment is not received under the agreed terms, Goffs will endeavour to collect the debt by whatever means are deemed appropriate. Goffs will not accept payments in cash for any Lot.
- 9.7 No Lot will be raced until it has been paid for in full.
- 9.8 Where a Purchaser bids or buys on behalf of another, the Purchaser must disclose the name and address of his principal when required by Goffs and both the Purchaser and his principal shall be jointly and severally liable under these Conditions.
- 9.9 Where the Purchaser notifies Goffs after the Sale that a Lot has been bought on behalf of another and asks Goffs to invoice that person ("the Nominee"), Goffs (at its absolute discretion) may agree to do so, on the basis that the Purchaser and the Nominee will be jointly and severally liable to pay the Purchase Price. The Purchaser's payment obligations in respect of the relevant Lot will only be discharged in the event that the Nominee has paid the whole of the Purchase Price. However, where the Nominee pays part of the sum due but the remainder is unpaid, Goffs' claim shall be limited to the unpaid sum.
- 9.10 Where a Vendor and a Purchaser agree to terms not covered by the Conditions of Sale, a copy of that agreement must be lodged in writing in the Sales Office before the Sale, and approved by Goffs. If no such copy of the agreement is lodged, and any dispute arises as a result of this agreement between the Vendor and the Purchaser, Goffs will demand that the Purchase Price is paid in full in accordance with Condition 9.6 unless the Vendor has notified Goffs in writing that the sale has been cancelled, in which case Condition 2.1.4 shall apply.

10. GOFFS RIGHTS/ EXCLUSIONS AND LIMITATIONS

- 10.1 Goffs reserve the right to exclude or remove any person or animal from their premises without giving any reason.
- 10.2 Goffs reserves the right to exclude for a period to be determined in its absolute discretion any person or entity from participating in its sales or from attending its premises in both UK and Ireland (whether Vendors, Purchasers, agents or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to Goffs to involve a breach of the Code, or who has been found liable in the High Court or similar

- 10.6 Goffs do not make any representation whatsoever express or implied as to the identity of the Owner or Owners of any Lot at the time of entry, time of sale or at any other time. In the event of any dispute the Purchaser's remedy, if any, shall be against the Vendor and the Vendor's remedy shall be against the Purchaser, and not against Goffs who act as Agents between Vendor and Purchaser and shall not be liable as a Party in any action or dispute between them.
- 10.7 Goffs reserve the right to charge interest on unpaid accounts at 1.5% per month or part thereof on all accounts which are unpaid 21 days after the last date of the Sale.
- 10.8 Goffs reserve the right to charge the Purchaser €30 per day for any horse remaining at Goffs after 5.00 p.m. on the day following its day of sale. In the case of unsold horses Goffs reserve the right to charge the Vendor €30 per day.
- 10.9 If for any reason a Lot is purchased and not paid for as hereinbefore provided (notwithstanding if the risk has passed to the Purchaser) then the following provisions shall take effect until payment is received:
- (a) Goffs shall be entitled to retain the Lot, and shall have a lien over the Lot and all documents relating to it for all expenses, including freight, incurred by them or any agent of Goffs during such period of retention. Such lien may be exercised in respect of any other sum due by the Purchaser to Goffs. Goffs shall also be entitled to exercise the said lien over any documents in their possession relating to any other Lot or Lots

owned by the Purchaser. A Lot shall not be delivered to the Purchaser until the expenses referred to above have been paid, in addition to the Purchase Price.

- (b) In the event of a Lot having been removed from Goffs Premises then Goffs shall be entitled to repossess the Lot from anyone in possession of it.
- (c) Should the Purchaser fail to pay for a Lot then such Lot may at any time be resold by public auction or private treaty, and the deficiency (if any) resulting from such resale shall immediately be made good by the defaulting Purchaser.
- (d) Nothing in these Conditions shall preclude Goffs and/or the Vendor of a Lot from pursuing all legal remedies available to them for the recovering of the Purchase Price from a defaulting Purchaser and all expenses and damages and commission lost resulting from such default.

10.10 Goffs will not release any Lot from the Sales Complex until a written release form in the form of a pass-out has been issued by Goffs.

10.11 Goffs may at any time, without notice, set off any liability of a Debtor (including but not limited to the outstanding purchase price of any Lot) against any liability of any Associated Company to the Debtor (whether any such liability is present or future, actual or contingent, liquidated or unliquidated and irrespective of the currency of its denomination) and Goffs may for such purpose convert or exchange any currency.

10.12 Any exercise by Goffs of its rights under Condition 10.9 shall be without prejudice to any other rights or remedies available to Goffs under these Conditions or otherwise.

11 COMPLAINTS PROCEDURE

The Complaints Procedure applies only in the circumstances set out in Condition 12 below. For the avoidance of doubt, the clinical examinations in Condition 4 above do not apply to this Condition 11 as those examinations must be dealt with on the day of (or the day following) the Sale by the Panel.

11.1 A Purchaser wishing to invoke this Condition must do so by informing Goffs in writing (as per Condition 16) **by 5.00 pm on the seventh calendar day after the Lot was purchased** (third calendar day in the case of Conditions 12.1.5 & 12.1.6) giving specific details of their complaint, supported by a certificate signed by an independent qualified veterinary surgeon (or independent professional rider in the case of Conditions 12.1.5 & 12.1.6)

11.2 The complaint shall be dealt with by Goffs, or their appointee, which may be a veterinary surgeon or professional rider, deemed appropriate by Goffs, at such time, at such place and in such manner as Goffs deems appropriate. The decision of Goffs on the complaint shall be final and binding on both the Vendor and the Purchaser. Goffs may have the Lot examined by their appointee and where the opinion of their appointee does not agree with the opinion of the Purchaser's appointee as expressed in his certificate furnished, then the opinion of Goffs appointee shall prevail and shall be final and binding on the parties.

11.3 All expenses and charges incurred by such adjudication, as well as the transport and keep costs of any Lot, shall be paid by the Party found to be in error.

11.4 For the avoidance of doubt risk remains with the Purchaser throughout any complaint and only passes back to the Vendor when both parties are notified of Goffs decision to cancel the sale (if appropriate).

11.5 It will be the Purchaser's responsibility to transport the lot at their cost within five days to a referee in Ireland, the United Kingdom or France as appointed by Goffs

11.6 No Lot may be returned for the reasons set out in Condition 12 if it has raced following the Sale.

- 14.5 If any Lot is ridden at any time in conjunction with the Sale, the rider must wear an approved helmet and back protector, and it shall be the responsibility of the Vendor or Purchaser to ensure that they, their employees or agents, adhere to this Condition.

- 15.1 Goffs reserve the right to add, alter or otherwise modify these Conditions of Sale.

APPENDIX 2

BLOODSTOCK INDUSTRY CODE OF PRACTICE

Since 2009, when the current Bloodstock Industry Code of Practice came into effect, the Bribery Act 2010 has been passed into law in the United Kingdom. The Bribery Act made bribery a criminal offence, punishable with up to 10 years’ imprisonment. This is reflected in this new Code, which is designed to prevent serious malpractice in the bloodstock sales industry, including by banning: (a) bribery (whether described as “Luck Money” or not); (b) acting for both sides on a Sale without prior informed consent; and (c) the practice of collusive “bidding up”. Such practices have no place in the bloodstock industry.

To assist with this stated objective and to encourage Participants to come forward with concerns over an alleged breach of the Code, the Bloodstock Industry Forum has established a facility for a Participant with such concerns to obtain free, initial and independent legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. In addition to breach of this Code, misconduct relating to Sales may lead to civil and criminal liability. For example, where a bribe is paid to an Agent, this may lead to civil liability to pay the Principal the amount of the bribe, on the part of either of (or both) the paying and receiving party, as well as to the commission of a criminal offence under the Bribery Act 2010 (applicable in the United Kingdom) or the Criminal Justice (Corruption Offences) Act 2018 (applicable in the Republic of Ireland).

This Code has been drawn up by and with the full support of all members of the Bloodstock Industry Forum namely: The British Horseracing Authority, the Irish Horseracing Regulatory Board, Horse Racing Ireland, the Irish Thoroughbred Breeders Association, the Breeze-Up Consignors Association, the Federation of Bloodstock Agents, the National Trainers Federation, the Racehorse Owners Association, the Thoroughbred Breeders Association, Goffs and Tattersalls.

This Code will be reviewed annually to ensure that it remains robust and fit for purpose.
