Entry Fees

€10,000 to run (1% of the minimum prize fund) as follows:

- €4,000 nomination fee declared at the time of the sale (will be added to the Goffs invoice and is non-refundable once declared and paid. For horses not sold or bought back by the vendor the fee must be paid by 1st December to confirm eligibility)
- €6,000 via entry stages to Horse Racing Ireland

Entries

Entries will be accepted in accordance with the full conditions of the race as published in the Irish Racing Calendar, and must be made to Horse Racing Ireland (or Weatherbys for UK entries, France Galop for French entries).

Naming

Naming applications must be received by HRI no later than 20th July 2022. If an

acceptable application has not been made by that date, the horse will be disqualified and removed from the race.

Maximum Runners

The 7 furlong limit at The Curragh is 30. Should it be necessary to reduce the declared runners to the maximum runners, or to such lesser number that the Stewards may decide, runners will be reduced by the elimination of those horses which have not run. If further elimination is required the field will be reduced by the elimination of the horses that, in the opinion of the IHRB Handicappers, have the lowest adjusted ratings (having regard to the applicable sex allowance). International performances will be taken into account. The latest date for calculation of ratings is 10am on Tuesday 20th September 2022. The entry and forfeit fees paid to HRI (totalling €6,000) will be refunded to any horse eliminated due to excess numbers declared.

These conditions are subject to alteration and Goffs reserves the right to change, amend or vary any detail, arrangement or condition in connection with this race at any time and without notice in their sole discretion. Furthermore Goffs shall not incur any liability for any loss, damage or expense in any circumstances and regardless of the parties involved or the consequential loss incurred by any party.

Group 1 Three-Year-Old Bonus

€100,000 will be paid by Goffs to the winning connections of the winner of the Goffs Million if that horse wins a Group/Grade 1 race in Australia, France, Ireland, UK or USA as a 3YO (first win only applies).

In the event of a dead heat in the Goffs Million and the two horses subsequently win an applicable G1 race the bonus will be split evenly.
