- Vendors please note that all documents must be lodged in the Sales Office on arrival. The office will be open from 9am Monday 7th February.
- A list of the necessary paperwork is detailed on the attached Vendor Sales Requirements.
- Failure to deliver the necessary documentation as indicated may result in the Lot being
 - (a) Refused entry to Goffs' premises and/or
 - (b) Withdrawn from sale
 - (c) Returned to the Vendor where the Conditions of Sale provide.
- **Microchips.** Please check that the horse's microchip is readable prior to arrival at Goffs, Microchips will be scanned at the Horse Entrance/Back Gate.
- **Flu Vaccinations.** Please check that flu vaccinations are in order and written up on the passport. **Vaccinations are required for yearlings in the February Sale.**
- **Health Certificate.** Please ensure the Health Certificate is dated within 14 days of the day in which the Lot is selling, is signed by your Vet and is printed on the Veterinary Practitioner's headed paper. (Please note the new Health Certificate)
- **Reserves.** Reserves must be lodged in the Sales Office prior to the horse being offered. Failure to do so will result in the Lot being offered without reserve. (see condition of sale 3.1)

Presentation of Horses

- To facilitate inspection by potential purchasers, all Lots should be on site in good time.
- Personnel showing horses should be in attendance from 8am until the end of the sale or until the Lot is sold and contact has been made with the purchaser.
- Vendors should take their Lots to the parade ring as soon as requested by Goff's staff.
- Hip numbers are available at the Horse Entrance/Back Gate.
- In the interest of safety, it is a sales requirement that horses have a headcollar on at all times while on Goffs premises. Where a Vendor fails to leave a headcollar on their Lot(s) following the sale, Goffs will supply a headcollar at the Vendors expense. (see condition of sale 14.3)
- The use of a bit is compulsory when leading or showing at any time.
- No minors may show or present horses.

Sales Facilities

- Hay and straw are provided by Goffs, other feed must be brought by the Vendor.
- Vendors must ensure that horses in their care always have adequate water.
- Vendors and their staff are requested to always observe good health and safety practices.

Application for Payment

- Proceeds of sales will only be paid by Goffs upon receipt of a written application for payment. (see condition of sale 3.8)

Ownership

- Full ownership information will be available to potential bidders under the 2021 Code of Practice.

Vaccination Update

- The IHRB and BHA have confirmed amendments to their rules from **1st January 2022** with this lead in time intended to give Trainers and Handlers to make the change with as little disruption to their racing plans as possible. These changes were implemented in France and Germany since 5th May 2021. From **1st January 2022**, the primary course and booster schedule for Equine Influenza (EI) vaccinations will be amended as follows:

	CURRENT INTERVAL	INTERVAL FROM 1 JANUARY 2022
V1 - V2	21 – 92 days	21 – 60 days
V2 - V3	150 – 215 days	120 – 180 days
BOOSTER	Not more than 1 year apart	Not more than six months apart

- Horses that have a compliant primary course and compliant subsequent boosters up to and including 31st December 2021 **do not** have to re-start the vaccination process.
