	Name	DOB	Sex	Colour	Sire	Dam
21		2019	FILLY	BAY	MEHMAS	LIGHT OF DAY

I hereby certify that the **one** animal described above:

- 1 has been examined by me today and shows no clinical signs of infections or contagious disease.
- 2 Is not intended for slaughter under a national disease eradication programme.
- 3 It has not been vaccinated against **African Horse Sickness**, does not come from the territory or part of the territory of a Member State or Third Country which is the subject of restriction for reasons of African horse sickness;
- 4 It has not been obtained from a holding which was subject to prohibition for animal health reasons, nor had contact with equidae from a holding which was subject to prohibition for animal health reasons for the following periods of time;
 - (a) Six months in the case of equidae suspected of having contracted **dourine**, beginning on the date of the of the last actual or possible contact with a sick animal. However, in the case of a stallion, the prohibition shall apply until the animal is castrated
 - (b) Six months in the case of **glanders** or equine **encephalomyelitis**, beginning on the day on which the equidae suffering the disease in question is slaughtered.
 - (c) In the case of **infectious anemia**, until the date on which the infected animals Have been slaughtered, the remaining animals have shown a negative reaction to two Coggins tests carried out three months apart.
 - (d) Six months in the case of **vesicular stomatitis**.
 - (e) 15 days from the last recorded case, in the case of **anthrax**
 - (f) One month from the last recorded case in the case of **rabies**.
5. On the basis of the declarations by the owner or breeder, there are no grounds for concluding that the animal has been in contact with equidae suffering from an infectious or contagious disease during the last 15 days immediately preceding inspection.
